IML meeting – NEWS

Lorenzo Moneta (CERN) Markus Stoye (Imperial College)
Paul Seyfert (CERN) Rüdiger Haake (CERN)
Steven Schramm (Université de Genève)

new ALICE contact

 welcome to Rüdiger Haake as IML coordinator for ALICE

directory of people in ML for HEP

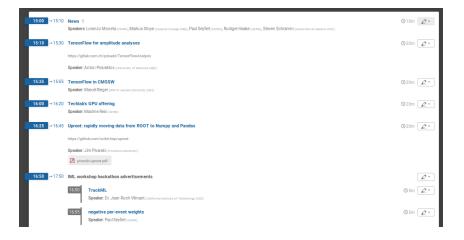

- field of ML in HEP is too large to know everybody
- → it's easy to overlook projects when compiling summaries, recommending speakers, seeking similar projects to your own
 - voluntary google docs form on opt-in basis

Deep Learning GAN Higgs bb fast

today's meeting

conclusion

slides (excl. cern logo) will appear on

https://gitlab.cern.ch/pseyfert/slides-imlnews-2018-02-28
